SCALP DOSE SEBO SHAMPOO

is formulated with clinically proven dermatological ingredients to target dandruff, oiliness, and scalp irritation.

Key Active Ingredients & Their Benefits:

Salicylic Acid

- Exfoliates dead skin cells, unclogs pores, and reduces dandruff formation.

Zinc Pyrithione

- Antifungal agent that combats Malassezia yeast, a primary cause of dandruff.

Niacinamide (Vitamin B3)

- Soothes inflammation, reduces redness and strengthens the scalp barrier.

Botanical Extracts

(Chamomile, Aloe Vera, Green Tea)

- Provides antioxidant and anti-inflammatory effects.
- Safe for long term use with no rebound effects.

WHERE EVERY STRAND FINDS IT'S SHINE
